Classroom #20

## A Little Bit About Me

I LOVE being a teacher! This will be my 7<sup>th</sup> year teaching! I enjoy spending time with my family, watching or playing sports, cooking, and watching movies. I have 2 kids

(Rylie: age 4, and Dash: age 2), a husband named Laine, a dog named Colby, and a bearded dragon named Reptar. I am so excited to meet all of you and make this your best school year EVER!!

## Rules & Expectations

In 4<sup>th</sup> grade we expect our students to follow the school rules: "Be Kind, Be Respectful, Be Responsible". We also ask that each student "Be your personal best"!

## Parent Communication

I use *Class Tag* as a communication tool, and to share picture and videos. I will provide more information so that you may get set up to send/receive messages, pictures, volunteer sign-ups and other general information. You can also email me at [ashlanderson@dsdmail.net](mailto:ashlanderson@dsdmail.net) or call at 801-402-1250. Please never hesitate if you have questions or concerns; I am always happy to hear from you! Together we are a Team!

\*\*Also please make sure you are using *MyDSD*. In addition to lunch payments, *My.DSD* is used to complete required forms, access test scores, SMART report, schedule conferences, access DESK standards, online libraries, and many other resources.

## Big 5 Approach: Covid-19

1. Hygiene Etiquette
2. Stay Home When Sick
3. Face Coverings (*Students will be provided a mask, but students should come wearing a mask to school. If students need to get their mask prior to school beginning they may contact the school and set up an appointment*)
4. Physical Distancing
5. Clean & Disinfect.

\*\*\*\*Please see the Davis School District website for details (click Covid-19 Updates).

## Remote Learning

Devices will be available for student check out once all electronic documents are signed, and students are comfortable using *Canvas* and other programs. Until that time remote learning will be provided through paper copies.

## Remote Learning Continued....

*Canvas* is the online platform that the whole district will be using to have students submit assignments and access lessons. It can be accessed on the school/district websites. This will be a learning curve for all as we all get familiar with it. So if you have questions please ask, and I will do my best to help answer!

## Behavior

This year in my class students will be able to earn different prizes. They will get a card and they will earn hole punches on that card for good behavior, turning in assignments, etc.. Once the card is full, they may trade it in for a prize.

## Supplies

All supplies that your child will need will be provided.

*Donations* of tissues, sanitizing wipes, white board markers, and hand sanitizer is always appreciated, but not required.

## Grading Scale

3- At or above grade level

2- Below grade level

1- Well below grade level

## Volunteers

We will have volunteer opportunities and specific information will be sent once we get school started. Please check Class Tag for volunteer opportunities.

## Before school

On students first day of school (August 25 or 26) students will arrive at 8:40 and line up on a circle to help with distancing. Teachers will be outside to greet and direct students to spaces. 4<sup>th</sup> grade students will line up on the east black top where they will find spots marking where to line up. Parents are asked to leave them once they have them at their spot. This will continue throughout the school year. (Please remind your student to follow the "Big 5" approach while waiting for school to start.)

## Lunch

Fourth grade will be having lunch at 12:00 this school year.

Lunch prices are the following:

Lunch - \$1.95

Milk - \$0.50

Breakfast - \$1.45

Reduced Price Lunch - \$.40

Reduced Price Breakfast - \$.30

Cash and check payments are accepted in the lunchroom or you can make online payments through my.DSD
